

Answer Key

Section A

1. **Question 1:** What is the capital of France?

Correct Answer: B

2. **Question 2:** Evaluate the expression $(2x + 3 = 7)$.

Correct Answer: $x = 2$

Calculation Steps:

1. Subtract 3 from both sides: $(2x = 4)$

2. Divide both sides by 2: $(x = 2)$

Section B

1. **Question 3:** The process of photosynthesis occurs primarily in which part of the plant?

Correct Answer: B
